My dear friend Rob. First, let me say I'm happy for you. Thank you for being my long-time friend of some 56 years. I am proud and blessed to know you and have marveled at your resilience. You were a very loyal friend to whomever you chose as a friend and I loved sharing this journey of life with you- you enriched mine so much. I loved being witness to your life-long love affair with Connie and how you both started such a wonderful, loving family together. Sweet Connie and Family, I am so sorry for your loss but we find comfort in knowing we will see him again. God Bless You and Keep You-

We never know when our time is up here on earth. I believe Rob Was ready. All of the big events like 50th year Wedding Anniversary and 70th Birthday. He Lived, he loved and he laughed. Connie I give you so much credit for making Rob's life the blessing that it is. Your great Strength and Love of GOD and the Gospel offered Rob a great guide and pattern for life. You two were meant to be. I know you have wonderful family around to support and cherish all the great memories. We really love you both so much and enjoyed all the fun times. We Love you!

XOXO Deepest condolences to you and you wonderful family.

Breaks my heart to hear of Rob's passing. He was not only a great friend in my teens and afterward but my best man at my wedding. Him, Steve, Gary, Brian, and I were close friends and called ourselves the Bill's. (Long story). I will cherish the short time we spent together. He was a great man in so many ways. Miss ya "Bill"
