I only got to know Bob in the latter part of he's life. He would come to family gathering and we chat about England plus other things too. Sending love and prayers to all he's family at this sad time. RIP Bob. ■

Kim, so sorry to learn of your dad's passing. I'm sure he will be greatly missed. My thoughts are with you.

Hey Family - we were able to watch the service from New York today. We miss you all. It’s hard to know that we won’t be able to be there with you and give our love in person. Uncle Bob was an amazing man - and he leaves behind an incredible legacy. Love you all!
