Robert Gustave Eva "Bob"

November 6, 1930 ~ April 4, 2023

Bob brought so much fun, laughter and joy to all of our family gatherings! He will be missed greatly. His smile and sense of humor will live on in my minds eye forever! I feel blessed to have been able to share a trip with Bob, Glenna, my two girls and their families, 4 years ago. We laughed, experienced many new adventures and LOTS of walking. Never any complaints and always wanting to know 'what's next'? Bob and Glenna are a great example of love and togetherness....love you!
