Oh my goodness! I am so very, very sorry for your loss! My heart is so full as I sit here remembering your wonderful, amazing dad. I am so thankful for your beautiful family and for opportunity I had to get to know and spend time with him over the years..... Especially when Debbie and I were younger. I always remember his smile and how genuinely kind he was to me. I know that your hearts are heavy and the loss seems unbearable, but please know that I love you all and you will be in my thoughts and prayers.❤■■❤■■❤■

To the family: Bob was a really good guy and a pleasure to know for some 40+ years. He was what made Alpine what it was back in the day.

I’m so sorry to hear of his passing . I was looking him up to tell him about my dad’s passing . Bob was a super human being and a great attorney . It was an honor to call him friend . I don’t know if my dad was aware of his passing before going himself , but I know that he counted him among his dearest friends . One of the last true gentlemen. That twinkle in his eye let you know he had some kind of magic . Charming ,funny , warm . I’m so sorry that he is gone . He will be missed . At least I know my dad will be in good company .

I had the honor and privileged of knowing Bob thru Alpine Country Club. I first met Bob about 30 years ago, when I graduated from BYU and worked part time in the clubhouse. He was always the kindest gentleman that I knew at the club. The men he hung around with, Bob Adams and others were just really good men and I enjoyed working with them at the club. I worked at Alpine for a few years, then I had to dedicate more time at my "real" job. I joined the club about 17 years ago, and ever since, I always enjoyed my relationship with this kind warm man. I know that we all will pass, some sooner, others later. But I am so grateful I got to know Bob and I consider my life better because we were friends. I look forward to seeing him again, and playing golf. Thank you for letting me share my

thoughts. You will be missed friend...
