Dear Ellis family, So grateful we were able to know this wonderful man. What an amazing life of service and devotion to God and family. We are blessed to have such people in our lives. What a joyous reunion it must have been to see his son Paul again. May you find peace in knowing we will all see our loved ones again. Much love to you all. Sincerely, Wade and Merri Bailey

I didn't know your father well but I always admired him and your mother Mary. They were kind to me and filled with a spirit of happiness and peace. I wish I could join you for the funeral but my health is not good and I am homebound. I will try to join you on Zoom. I send all of you in this wonderful family my sympathy and love♥■

I am really going to miss my talking over the fence with Bob about things. He would be out in the back yard and he would wave me over to the fence to talk. I enjoyed those times as we would discuss family matters. Forty or fifty years of talks. Sad to see him go, but good memories to be left with.

Nancy, I am so sorry that your father has passed. I'm sure he was a wonderful man and father. I know you are very devoted to both of your parents, because of all the posts of them. I've enjoyed all those posts. I know that Heavenly Father is with you and all your family at this time. Many prayers for all of you.
