

Robert Joseph "BJ" Barger

March 16, 1950 ~ July 11, 2021

BJ never called me by my first name he always called me Leggette. He was a great husband and father and I'm sorry for your loss. I started working with BJ in 1990. You could always count on BJ no matter how many hours it took to get a job a job finished. One of my best memories was our motorcycle trip to The Harley Museum in Milwaukee and then we rode around Lake Superior in Canada. He kept us laughing the whole trip. He could start a conversation with a total stranger. BJ would give you the shirt of his back and help anyone in need. I will always remember that smile.

BJ was family to Leo and I. We have many memories of trips and good times with him and his family. Many memories of holidays spent with the family. We will miss him terribly but know he is no longer suffering and in a better place.
