Paula and family...we were saddened to hear of Bob's passing. This gentle and wonderful man was a delight to know and added so much to our Meadow Ward family. We are thankful for his beautiful art and will always cherish the picture he gave us of the Savior. We pray the Lord will be by your side. He will comfort you to know you can look forward to a reunion of joy with him. Love you , Elder and Sister Dial Nauvoo, Illinois

Bob and I were home teaching companions years ago and remained friends for years unfortunately we lost track of each other and I just found out about his passing, let me offer my condolences to his family,Bob was a good friend and a very talented artist, he gave me one of his paintings as a wedding gift and I hold that painting dear to my heart. I am a better man for having Bob as a friend and I’m sure Bob is watching over his family and friends from heaven above.
