Robert Leroy Fericks… we celebrate your beautiful life!■■■

- Norbert Montoya

My condolences goes out to family. My heart is empty right now . I've known Bob for 51 years and my most memorable time was spent in the Wind River Mountain range which we spent 28 days together! He was a true spirit and taught me a lot about his love for the mountains! He will be missed! Rest in peace my friend!

- Spencer Hinkle

I am sorry for your loss. Sincerely, steve Gentling
