

## Robert Michael Johnston

*January 16, 1963 ~ December 17, 2024*

---

My sincere condolences to Sheryl and your family on Rob's passing. I met Rob when he became the Executive Director at our living facility on Lake San Marcos. I was very involved in looking out for our residents' rights and Rob was truly dedicated to improving their quality of life at every opportunity. We subsequently moved to another facility and I remained in contact with Rob. We became friends on a personal level and I thoroughly enjoyed our subsequent few visits together. I was so saddened to learn of Rob's passing.
