So sorry for your loss.

- Julie Flury, Lori Boyack's mother

I am so sorry for your loss. Bob will be missed. It was so nice to spend time with Bob when visiting LA. Sending hugs to Mary and all the Boyack's.

- Barbara - Cathy's sister

Mary, Becca and Bob's family, I'm so sorry for your loss. I enjoyed my association with Bob the few times I saw him. Your family has a strong bond of love and zest for life which I'm sure was cultivated by the companionship of Mary and Bob. It's evident you have fond memories of your dad and they will bring you comfort as you navigate this challenging time. May God bless you all with comfort and peace. Love and a big hug, Linda Olsen
