

Robert Norris Jennings

January 19, 1977 ~ January 3, 2024

My husband and I went to AC in West Jordan last Thursday. They told us about Rob. We were shocked! He definitely will be missed. He knew our order ,every time we went in he would call it back to the cook. He was so friendly and upbeat. He truly cared about his customers and the people he worked with.

I have very fond memories of Rob! We work together at Arctic Circle during my younger years, and he was an amazing manager, and I have thought of him fondly over the years. I am so sorry to hear of his loss, and I hope you find comfort and knowing he was well loved man, and we all looked up to him. I hope you can find peace and comfort with family and friends during this time.

This is such an out of nowhere thing. Rob was such a a great guy. He was so dedicated daddy and loved Jen so very much. His family was his base in life and life revolved around them. He did love hockey and it was his life until he got together with his Jen who also loved and understood his thing for hockey. I hadn’t seen Rob and Jen since breaking up my moms house after she died I. Will miss him awful but I also know he’s moved on to a better place. godbless you Jen and your beautiful children
