Our deepest condolences for the loss of Bob. Growing up next to the O'Hara's in Evanston all those years gave us the opportunity to be great friends with Bob. Whether it was jumping on the tramp, night games, riding bikes, fun in the swimming pools or riding motorbikes and ATV's, Bob was always up for company. In high school Bob gave us rides to school and was incredibly proud of his lifted Bronco II. Bob was an awesome off-road driver. Many mornings were started with a climb up the steepest road above town before school, what fun we had with him. Bob was amazing on the trumpet. Can't hear Chuck Mangione to this day without thinking of Bob. He was truly one of the greats on the horn. After he moved away we lost touch but would get occasional updates from "Hanks." Those younger years we couldn't have asked for a better friend. Sounds like he's had a great life and it's incredibly sad it

was cut short. All of our best to the family. Greg, Mark, Sean, Amy and Gus Tesoro.

- Mark Tesoro

I was fortunate to have Bob as a colleague both at Boston Scientific and Merit Medical. A great soul. May he Rest In Peace. My deepest condolences to the O'Hara family.
