

Robert Pearce Farnsworth

August 1, 1930 ~ September 12, 2023

My condolences to the FARNSWORTH family. I see the pictures of a young Robert and I can picture him just like that in heaven. Your family did a beautiful thing giving him the support and dignity he deserved as a loving father. We will miss him.

What an absolutely incredible video tribute to such a lovely, kind, and beautiful man. Always smiling from ear to ear. Always happy. What an example. What a legacy. Thank you for sharing your father with us. I feel the better for having watched his life story unfold so beautifully, accompanied by such great music. What a tribute, so richly deserved.

Dear Cousins, I am Dean's eldest. It has made me sad throughout the years that I have not had the opportunity to get to know each of you. My husband and I visited your home in California as newlyweds when Kenny and Kathy were babies. When your father came to our dad's funeral in 2013, I realized how much the two looked like each other. I think of Uncle Bob as a sweet, kind, gentle man. Know that I am thinking of you at this difficult time. No matter how old and feeble our parents become, we miss them when they are gone. Love to each of you. Anne
