

Robert Randall “Randy” Sutton

March 27, 1958 ~ March 9, 2022

Dear Pam, I was so sorry to read of your husband’s passing. I remember what a sweet, wonderful couple you and Randy were and extend my sympathy for his loss. He was much too young to leave you. If you remember me, I am your mom’,Marlene’s, cousin and dancing partner from many years ago. I lost track of you through the years as you moved away, but was happy to read of the wonderful family you and Randy shared..I am now in St . George and unable to attend the services, but would love hearing from you if possible—not many of the Rosell line still around. May the Lord”s comforting blessings be with you and yours at this difficult time. Sending my love

As kids, the Bradshaw and Sutton families spent a lot of time together and I have wonderful memories from those days. As cousins we often had fun get togethers at our Grandmother Ward's home in Ogden and our Great Grandmother Mason's pioneer home in Willard. I fondly remember spending most holidays with Randy and his brother Ward. Our Dad's also took us on Duck and Pheasant hunting trips together. Suzanne, Ward, Randy, my brothers Dan, John and I all learned to ski together and had a lot of fun every winter Saturday at Brighton. Randy was always fun to be around and being close in age to my brother John they were close friends and spent a lot of fun times together. These are great memories I will cherish forever. My condolence to Pam and their children. Randy will be missed by all.

Robyn, I was saddened to read about Randy. What a great friend he was during those Monument Park years! He was a wonderful person, I remember looking up to him and others when they were the leaders of our youth. I'm so sorry for the loss of your dear brother. Sending love and condolences. Best, Suellen Winegar
