Rob and Nora-So very sorry to hear about the loss of your Dad, Rob. He sounds like a very unique and special man! (Wow, you look JUST LIKE him in some of the photos!). In spite of this separation, it's wonderful to know that we will see him, and our other loved ones again, and NEVER be separated again. Your family has been in our prayers. All of our love and condolences to you! John and Kristy. (California).

Dear Rob, David, Jon, Nancy and Elizabeth, We want you to know how much we admired your dad. He was an amazing person!! As bishop of the Kitchawan Branch, he was kind, loving and most of all "FUN"!!! As a teenager, I thought he was "cool". I knew he sincerely cared about me. When I worked for your dad, I could not have asked for a better employer! Your dad had a very tangible Christ-like love for his fellow men and women. You could sense that about him. We were privileged to have known him!! We wish you comfort and peace at this difficult time and from all the wonderful memories you have of your dad. All our love, Suzanne & Mark Nolan

Dear Rob, David, Nancy and Elizabeth, Our family will never forget the fun times we had with you and your family and so many from Westchester NY and Connecticut at the beach houses in Ocean City, Maryland. Those were great years and your mom and dad were the catalyst that got us all together. We loved every minute at the beach and the many fun activities we enjoyed including fishing for flounder, riding got carts, going to the amusement park, church meetings and eating together. Your Mom and Dad were great people and we shall look forward to seeing them on the other side of the veil. With fond memories and sympathy The Heilesen Family Henry, Renee (deceased), Hank, Lori, Todd, Celeste and Stacey.

Our memories of Bob & Kay are some of our most favorite recollections of our twenty years in Connecticut. We served together, played together, worshipped together and did a lot of laughing and joking together. He was so fun to be around and you could always feel how much he loved Kay. I remember the year we introduced Bubble Yum he took me aside and said “thanks for making this year such a successful business year for me”. He then told me that his company supplied the “filler” ingredient for Bubble Yum. He was the best! We love you Bob and look forward to our reunion.
