Sorry to hear of your loss. Was happy to hear you got to spend this last year with him. May you find peace at this time

- Lindsay Campbell

Dear Diane and family, I am very sorry for you loss. Your father (grandfather) sounds like he was truly a wonderful man. My heart and loving thoughts are with you. Sincerely, Amy Bolton

Diane, I don’t know that you remember me, but I Lived Next-door to your grandmother and grandfather there on Atlantic Street When your grandfather passed away. Your grandparents and your dad were very pleasant. I enjoyed getting to know all of them. I am currently doing a clean out and I ended up with a few of their precious items. I should’ve probably tried to find you earlier. Your dad was generous with us and was adamant that he did not want any of the items. I have enjoyed them and the memories they have brought. If you would like to contact me use my email FastTreesDirect@gmail.com. I will be in the Salt Lake area on 25 October 2025. Looking forward to hearing from you, Brenda McCandless.(Then I was Brenda Given.)
