

Robert Scott "Bob" Beers

February 8, 1969 ~ September 1, 2020

So sorry for your loss, Natalie and family! Sometimes endings come when you least expect it as it did with Bob. He reads ‘larger than life,’ and also seems to have been quite a character. I have no doubt that he will leave an enormous void in your family. There is nothing that will fill the void , except fond memories. The. heartache you are feeling will fade in time, but the memories never will!

I was Bobby’s Sunday school teacher a thousand years ago. He was five years old. Absolutely adorable! A bundle of energy and life. I adored him. I’ll never forget him. My condolences to all of his family.

Bob had a wonderful soul. Knew him in high school. So very kind and sweet. Kept contact on Facebook... when I was living in the south of France. We hoped to do a motorcycle cycle tour in Europe..... You will be missed my friend. To young to go, however never to be forgotten. All my condolences to his loved ones.

My love and all that my heart can hold goes to my beautiful, bright and amazing friend, and her brother Bobs love ones. As Natalie said to me, he was her heart, and to fill a heart the size of Natalie's would take a giant yet humble, loving and real soul. I know He will live on in many ways through you and what an extreme blessing that will be... so Natalie and your dear family, please know there are SO many who love and support you in these tough times. Loving and loving life to its fullest must be a wonderful family trait. So Much LOVE, thoughts, prayers and true sympathy and condolences go out to you all ❤■■❤■

Dear Beers Family, I didn't know Bob, but wish I had because of the things you chose to share about him. It sounds as if he spent much of his life being an example of living with a sense of adventure and fun. Thank you for your honesty about his long battles with alcoholism and especially his devotion to helping others recover. Your courage in sharing his struggles may very well help another person, even just one, who is trying to break away from the cycle of addiction. Bob died much too soon, and no doubt left a trail of hearts and challenges over many years. You are survivors yourselves. Your sharing is appreciated deeply. "We are all in the same boat on a stormy sea, and we owe each other a terrible loyalty." G. K. Chesterton
