My deepest condolences for the passing of Rob. Though I never met him, I saw the connection that he had with Kyra and the wonderful effect he had - his values of nature and family, how he made Kyra laugh and smile and comfortable. He will be dearly missed. Kyra, if you’re reading this, you are such a wonderful gem - continue shining

on and being the bright star you are! Love your guts and I’m so so sorry for your loss. ❤■ Andre

Kyra and family. So sad to hear of Rob's passing. He was such a great guy and I enjoyed working with him. I will remember him fondly.

- Marc Holbrook

Oh my. I remember when Rob was angling to get a date with Kyra back in high school and when he succeeded. I remember their college courtship and him visiting Kyra when she lived in the Avenues. I remember the wedding — didn’t someone sing the song Climb Every Mountain? I love this obituary full of love and celebration. Sending care as you go through each tender day now.

Thankyou Rob, for being the older brother I never had. Dealing with all our family drama, my boyfriends and all the party's at the house. It doesn't seem real that you are gone. You have been in my life as long as I can remember. You will truly be missed. Hope you are chasing powder dreams and carving slopes in the after life. I will always remember you❤■

I worked at REI in Salt Lake from 1994-1999. I met Rob and Kyra there. I remember Rob was very fun, and he and Kyra were great hosts of several parties I attended at their home. Come to think of it, I was the recipient of a door prize of Voile tele bindings - back then they were still 3- pin. I eventually got some tele skis and used those bindings! I am so sorry to hear of another dear person taken by cancer. May Rob's light live on through everyone he encountered. I did not know Rob was a jazz drummer! That's so awesome! I love jazz but somehow we didn't learn this about each other. I will try to think of him when I hear a drum solo. I wish God's peace to Rob's family and friends. May good memories sustain you in the days ahead. Peace, Trudy

Kyra, Sierra, Hunter, and Porter, I have spent so much time thinking about what I could say to help ease the pain of losing one of the most amazing people I have had the privilege of knowing. Rob was a human who was fiercely loyal and stubborn as a mule -- but no matter how messed up a situation was, he would always step up to help out without muttering a word (almost). When I learned of Rob's diagnosis, I was gutted because of all people, Rob didn't deserve this as his final years on Earth. And to endure witnessing his pain must have been unimaginable for the four of you. Your family has always been one I look to as a healthy and loving example of what families should be. I know it has been many years since I have seen the four of you, and I regret not being at Rob's farewell, but I know that you all understand how difficult life can be. I love you and hope that you are feeling at peace now that Rob is no longer feeling the pain his body was inflicting. I hope to see you all soon. With love and peace, Mark
