Linda, Vicki, Michael and Christine, Bob will always be a special memory of our living next door for 23 years! His welcome when we moved in, his boisterous hellos from across the fence, his fly-rod testing on the front lawn in December, and his great sense of humor will never be forgotten. We are so sorry for your loss, and also sorry that we aren’t there for his service. We are thinking about all of you.

Linda and family, I am sorry for your loss of Bob and your father. As I am sure you are aware, I was married to Vic Day, a friend of Bob’s and I fondly remember a party at your lovely home when I brought crepe Suzette and was so nervous! I had never done flambé , before! Thank you for the memory! God Bless. Sheridan and Tom Metcalf.■
