

Robert William Hunger

April 30, 1949 ~ November 3, 2025

Sorry to hear of Bob's passing. My family lived on the same street as his, on 23rd East Kensington Avenue, just across the street. I knew Hans, Helen, and Janet as well. When Bob got his driver's license, he used to take us for joy rides around the neighborhood. My brother Reed and I were several years younger than Bob, but that didn't stand in the way of his being very friendly to us. I believe I was still living on Kensington Avenue when Janet died which was tragic. Hans liked speaking German to me (I had lived in Austria and spoke German) and also later I discovered Hans was a classmate of my mother, Florence Hood Jensen at West High.
