So sorry for your loss. We loved Roger back in the DeAnza Ward, Cupertino, CA when he was member of the bishopric. Such a great guy, he will be missed!

- Michael Bruce Goldberg

There never was a kinder man than your Roger Allen. He was everyone's friend, always the first to help, and never without a smile. He will be truly missed. Our hearts and minds are with you and your family.

- Natalie Slaugh

Shirlene and Family, Roger was one of the nicest people we knew. He went out of his way to help others all of the time. We loved him and his love for others showed all the time. We love Roger and we will miss him. We were sad when he moved and we are happy that we were able to see him last summer in Utah.

- Phil and Brooke Carmack

We were saddend to hear of Roger's passing. Whenever we mentioned Roger's name around our son Alex (3 years old), Alex always would exclaim: "where is Roger!?! I LIKE ROGER!" I think that summarizes the impact that Roger had with children and obviously Alex. Alex loved the time and attention that Roger always gave whenever Alex was outside playing. May God be with you all during this difficult time. -Jonathan, Amanda, Alex and Ainsley Schabowsky

To Shirlene and family, So sorry to hear this news. He was our Ministering Brother a few years ago. Such a kindly and talkative man. And you were also several times when we were all together. He will be remembered.

- Janette Kendrick

I remember when Roger would come into town on his motorcycle and visit with my dad for hours. My dad always held Roger in highest regards. He and my dad both came with me to get my drivers license when I was sixteen. Roger told me to memorize my license number in case I ever needed it. I still remember my number to this day. Love you Roger.

It has been decades since I last saw Roger, but it seems like yesterday we were in high school together I always admired His gentle ways. While we have not been close over the years, he remains a respected and admired friend. Heartfelt Doncic to the family.

So sorry to hear of Roger's passing. He and Shirley have been life-long friends. He and Dale must be having a great reunion, lots of things for them to talk about. We loved hearing about all of Roger's adventures. He will be missed. When he was here visiting Dale, he told our children lots of interesting stories about he and Dale's great adventures. Lots of love to you Shirley and to your great children. Love from all of us Larson's--Grethe

I had the good fortune of associating with Roger while we lived in Sunnyvale. He was a valued member of our ward. If I could summarize Roger's life in one word, it would be "mentor". He tenderly and gently led and guided everyone around him. He taught through his actions. And though we were separated by nearly 40 years in age, he never treated me as anything other than an equal. What a great man, and what a great legacy he has left behind. His influence will not be forgotten by the countless people he has touched.

- Shaun Jeffs

We are so sorry to hear of Roger's passing. We met Roger at our Water Fitness class in Sunnyvale and enjoyed both he and Shirley's presence at the class. We enjoyed the potlucks that they attended/hosted. Roger was a very gracious man. He will be missed. He loved his family and friends.
