

Ron Lewis Beesley

September 3, 1937 ~ August 27, 2021

Ron and Vera were among the first to welcome Janet and me as newlyweds into the neighborhood in Sandy. What wonderful memories we have of him and his family. He was a great man and always willing to help those in need. We send our love and condolences to you. Janet and Walt Brooks

My deepest condolences in the passing of Uncle Ron. I have fond memories of both of you in my younger years! You were both so kind! All the best and much love!

Ron and I served as companion on mission for the Church of Jesus Christ of Latter-day Saints during 1957-59. The mission was West Central States Mission headquartered in Billings, Montana. This mission no longer exists ans was renamed the Billings Montana Mission. I was a pleasure serving with Elder Beesley. I really enjoy our time together. He had a great attitude and a desire to meet people and discuss the gospel of Jesus Christ. Sorry for your loss. Jerry Butt 801 292-6048 Bountiful

Tom, in so sorry for your loss. Losing a parent is extremely painful. If there's anything I can do for you, let me know.

I am so sorry for the passing of your husband. I know you believe that you will be with him again. It is a comfort that you know this. I remember he was a caring person and a loving husband and father and grandfather. I have fond memories of him you being our special friends for years. We have fond memories of our times together. This is only a parting. May God be with you and your family. Marlene & Dwayne Glad.

I have a lot of happy memories because of this man! A gift to humanity in my lifetime. The greatest lessons often involved a cabin trip, a service project, a prayer, and a smile. Thank you for being a great man, father, neighbor, and example to many.
