Rest in Peace & God bless you Ron! You gave me my first job 37 years ago when I was a kid. I grew up & raised a family of my own in the same industry ever since. I appreciate you giving me these opportunities! My sincere Condolences to Ronny, Amy & Family.

So sorry for your loss. Ron was a big presence and he will be greatly missed. I feel very fortunate to have spent the last 19 years working for him. He was a great boss and though he was not great at showing his feelings, I always knew he cared and worked hard to take care of all of his employees.

Ron, we affectionately called "Bulldog", because of his prowess on the gridiron, was a friend and teammate from age fifteen. He was a wonderful friend, with a great sense of humor, very loyal to his friends & very smart. I have so many memories of our high school and college years both on the gridiron and off. He was to me, as they say, "one of kind", I shall let him live on with all the memories I carry in my heart and mind. God Bless you my friend, forever RIP, God Bless Becky & the family!
