

Ronald Don Seeley

August 30, 1942 ~ December 8, 2020

Dear Pat and family, I worked with Ron in the Utah National Guard on a daily basis. Ron was a true professional to work with and I am saddened to hear of your loss. All that knew, and worked with Ron have suffered a great loss with his passing. He was professional, detail oriented, patient and had a quiet reserve about him during some trying times in the Operations Shop at the Guard. Please accept my deepest condolences on his passing and may God Bless you during this very sad time. Sergeant Major Alan K. Paxton 19th Special Forces

I served with Ron in the Utah National Guard- I affectionately referred to him as my "Dad" as he mentored me through the training shop at Troop Command. I recently enjoyed texting with him on Facebook! I truly love this man and his goodness and kind demeanor are an example of our Savior. I am so grateful that my life was blessed with his friendship. He will truly be missed but we will see him again♥■

Though we weren't related, my entire family called him Grandpa Seeley. No matter how long it had been or how old I got, he always greeted me with "Hi, sweetheart" and a kiss. His example of pure and generous love are deep in my heart. I'm very lucky to have known this amazing man.

Ron was a great friend, neighbor and boss. He was such a great mentor and his wisdom was second to none! He was my first boss in the National Guard when I moved to Utah and served with the 625th MP Company, and Ron was my direct supervisor. He and I went to several summer camps together and we became close. I'm sure going to miss him. Sorry for your loss. I'll miss Ron and will continue to think about him, always.

Pat and family we are thinking about you and praying for you. Ronnie has always been so kind and genuine with me and my family. I could always expect a nice big hug everytime I saw him. Even though my family has moved away and been back east for the last six years, it has been fun to keep in touch with him through Facebook. He was always making sweet and loving comments on my and my wife's posts. He still managed to bring a smile to our face even though we were many miles apart. This is a big loss for us here but a giant gain for those on the other side. -- Lots of love from our family.

Wendy and family, so sorry for your loss. It's so hard losing a parent. Thoughts are with you.

Ron and I served together for many years in different roles but always got together to talk about Nascar races. He and I loved to talk about the last race or the upcoming races. Traded VCR tapes when the other was out of touch. Ron took over the 640 RTI after I left for Troop Command. Worked back in forth for issues on both commands. He was a great friend and I will miss his friendship. Bruce Cuppett CSM ret.

I just wanted to reach out to you and your family at this very difficult time. I loved Ronnie! He was always so kind and he always made me feel like I was one of his favorites. I especially loved it when he would tell me I looked like my mother (Aunt Maxine) . He always had a smile on his face and was so genuine. I'm so sorry I wasn't able to attend his services. Please know you are in my thoughts and prays. I pray that you may have peace and comfort at this difficult time. Love you all, Sincerely, Julie Seely Sorensen

What a great tribute to your dad. He was such a sweet, funny and kind man. His laugh was so contagious and he always there to help if we needed anything. We loved having you as neighbors and great friends. I loved how sweet he was at offering compliments to everyone and genuinely caring for people. I pray that your hearts will be healed quickly. Love you all so much!

David and I are saddened by the passing of Ron, and that we were unable to attend. Ron was a dear friend to both of us as we worked together in the National Guard. He surely was all the things you expressed so well in his obituary. He was a gentleman, and he "is smiling." We pray your grief will be softened by memories of joy.

I had the honor to serve with Ron for many years in the Utah National Guard. We were trainers and admin people working together to make our Guard Units ready for anything. He was always teaching and mentoring our soldiers, making sure we crossed the T's and dotted the I's. He added calmness to the many training meetings we held. I really appreciated his support of me when I was accepted to attend Army flight training, encouraging me to improve myself and move up in my career. He was a great friend and I will miss him.

I am so sorry for your loss. I just found out that Ron passed away. The last I heard he was sick in the hospital. He was a great man and good example. I loved seeing his bright smile at church. He was kind and caring. I always had a great respect for his service for our country. Sending love, hugs, and prayers to your family and friends.
