Dear Sue and Family, We have learned of the loss of Ron Sunday, before the meeting. It was a shock! We want to express our heartfelt sympathy to you and your family for the grief we know you are enduring. The shock must have been overwhelming. These days must be more than difficult for all of you. We want you to know of our deep respect for your husband and for you and your family. We know of many who held him in the greatest of affection. You and your family have our love and warmest thoughts, as your grief is shared by so many. May the Lord bless and sustain you in this difficult period. Our prayers and thoughts will be with you. Ron was my grandpa and it was so devastating when he passed because it was relatively near my birthday so it was difficult to have a lot of fun because I kept thinking about my grandpa. I am happy that he is in a better place now and with the rest of his family. I wish him the very very best in heaven and I can not WAIT to see him again <3
