Like many others, Ron was a huge influence in my life. I loved him like a brother. My condolences to Sue and your amazing family.

I have been so fortunate to have known Ron. He and Sue are very special people to me and hold a special place in my heart. Although I only knew some of his children I know the love and respect they have for him. I am blessed and a better person for having know Ron McMillan. My regret is I didn't spend more time around him. My thoughts and prayers are with Sue and her family. Love Steve

Sue, I remember Ron's smile just like it was yesterday, when we both worked at The Oscar E. Chytraus Company in south Salt Lake. Ron was a real go getter — never lacking for ideas or that tremendous smile! RIP, Ron!
