So sorry to hear of Ron's passing. We love the Nielson family and treasure the time we lived in the same neighborhood. We love Ron and enjoyed serving with him. We will be out of town and will not be able to attend the memorial services, but we send our love and condolences.

I am so surprised and touched at the passing of our dear friend. He and I were second or third cousins a few generations back. I loved that we spent a whole day with him in southern Utah where he showed me the houses and the graves of our common ancestors. A great man. He will be greatly greeted in heaven as he meets up with those dear people he loved so much. And he will be missed here, especially. Lorraine Day

I was so sad to hear of Ron's passing. He and his dear wife, Doris, have always held a special place in my heart. My deepest condolences to you, Doris, and all of Ron's family. I pray that you all will be comforted by our Heavenly Father at this difficult time, and also find solace in the knowledge that you will be reunited in the eternities.

Dearest Doris: Life is so short, memories of friendships are extremely meaningful for happiness in this life. Ron and Doris are, and will always be special friends in my life. I'm sorry I was unable to be with you Doris for Ron's service to comfort you. May you always be surrounded by your loving, caring family and friends as you adjust to this new phase of life. My heart goes out to you at this time, but I can't help thinking that Ron and Frank are doing missionary work together once again! Love to you and your wonderful family. Louie Keeney

Ron and I worked together at First Interstate Bank of California and Nevada. He was a great guy and considered him a colleague and friend. Condolences to his family!
