

Ronald G. Shell

December 12, 1955 ~ November 29, 2024

So sorry to hear about Ron. We had a lot of great times at the sand dunes with him. Sturgis was always a blast with Ron, had us laughing and enjoying his company every time. We will cherish all of those memories of such a nice guy. Our condolences to your family.

Dear Ron, I’m going to miss you! From that day we were camping cooking burgers to the years ahead, i will never forget your kindness.
