What a wonderful example of a life well lived in service to family, friends, demonstrating work ethic and integrity for all of us fortunate enough to have known Ron. May our Father Heaven spirit comfort Sharon and the Young family at this time of loss is our prayer. May you find comfort and peace in knowing of a long awaited reunion with Kim and Ty and other loves ones gone before.

We’re so sorry to hear of Rons passing. It was cool to watch him work the crowd at the Pelligrino BBQ. He shook everyone’s hand and was such a gentleman… I was really surprised by his strong handshake! That was fun going to Italian Village after softball! He and Sharon were both so nice. Ron Young, a great fisherman and friend. Always a dependable ATV driver with beautiful wife Sharon at his his side. As in life he always knew the way. Always the explorer though not always easy for him. We would all stop to chat and look up to see Ron off in the distance still exploring. Now he is off to a new adventure, I hope the trail is easier. We love you Ron! Rest in Peace.

To Sharon and family, So sorry to hear about Ron’s passing. He was a great man and always kind to everyone. I always remember how kind he was to my mother (Aunt Ruth) and to my sisters and I, when we were growing up. May he rest in peace. Janice
