Marcy, I am so sorry for your loss. Ron was an incredible person and loved you so dearly. I enjoyed helping take care of him and truly will miss this sweet man. He will always be a part of you and your family and thankfully we have the knowledge that we will be together again. What an incredible blessing to know this. Love you dear friend.

RON (RIB) for us was rest in beach. Thx for the memories in cars and work selling construction materials. All our thoughts and prayers are with your family. You will be missed. ■
