Ronald Willard Grossarth

October 15, 1938 ~ January 12, 2023

President Grossarth was such a good man and a remarkable stake president. When my son was going through troubles and couldn't get answers from anyone - he stepped up and told him what was going on and basically saved his service in the church and his missionary experience which affected his whole life. I thank him for that. My prayers to the family - he will be missed but because of the gospel, we know we will see him again.

We have very fond memories of the Grossarth family. It was a privilege to associate with them while living in Albquerque. We still love your family.

What a great man your dad was. I loved serving with him in the stake presidency during my time in Albuquerque. He was also a good friend as we spent many hours together as we served. He will be missed but I joy in the fact that he is with your mom again. He loved The Savior and was welcomed home by a loving Heavenly Father. Kenneth R. Williams

In so many ways and many times Ron Grossarth blessed my life and that of my family. He was an outstanding Home Teacher for us in Albuquerque, then an amazing Bishop for us also. He was always cheerful and positive and kind and loving to us. I have so many special memories from that time; Larry and I going with him and Ellen to the Provo Temple youth trip, him being a friend to the youth in the ward, especially to our oldest son who was

struggling with several things, just always a kind friend and such a good person! We moved from NM to WA and they then moved also but we had a wonderful chance meeting up with them at BYU when our sons, who were good friends, both graduated. I could go on and on but I just want to say that he is a good man, and we will look forward to seeing him and Ellen in Paradise, sitting down and having a great visit catching up. We love Bishop and Sister Grossarth.

It is with tender feelings that I think of and remember my many interactions with Ronald Grossarth. He was the one who was authorized by the Quorum of the Twelve to interview and to call me to be a Stake Patriarch. I also had the privilege of working with him for about 12 years as part of that calling while he was Stake President in two different stakes. One tender memory comes to mind regarding that interaction. For the first Stake Priesthood Meeting after my ordination, I did not attend because I was not explicitly listed as one who should attend. I was asked by him why I was not there. I responded that my name was not listed. He verified that my response was accurate. From that time forward until his release, I received a personal letter from him requesting my presence at each of all future Stake Priesthood Meetings. I extend by condolences to his family.

We are so sorry for your loss. Uncle Ron was a wonderful man and a great example. We enjoyed spending time with him and hearing stories of his life. When we were with him he always took time to find out about our lives and what was happening in our family. We are grateful that he is now able to have a sweet reunion with his parents, beloved wife, and brothers. The service was beautiful. Thank you for broadcasting it so we could see it from California.
