Ronda, I'm thinking of you today. I miss you. Your smile. The happiness in your eyes when you shared stories with me or projects you were working on or completed. I especially loved when you shared your love of your dolls with me. We had a lot of fun at activities and dances.. It always warmed my heart when we had not seen each other for a bit but our greetings felt like no time had past. Thank you for allowing me to be apart of your life. Ronda's Family, my deepest condolences to all of you. Ronda was one of the most genuine women in this world. Full of appreciation and love. Her smile brighten each room she was in. She was a joy. As an employee of TURN Community Services she was the highlight of any day I was with her and I know that was true for anyone else who spent time with her. She will be missed by so many.
