Ronda was such a dear sweet friend. I will always remember running around with her in High School. I'd see her at the reunions I attended. So glad we saw each other a few years ago while I was in Utah. She and Brent were such a great couple through high school and for the 49 years of marriage. I'm so glad she had a good life with Brent. My heart goes out to all her family. I will keep a special place for her in my heart.

Rhonda was such a darling woman. Her smile was incredible and she would just catch you up with it.

My deepest sympathy to your family. I love you guys. I love Ronda. She taught me how to make rolls while she shared the Gospel of Jesus Christ with her great capacity to love. I think of her every time I have a nice home made roll. I hope your sadness will - in time - be replaced with wonderful memories of this great woman.

I was sad to hear of the passing of Rhonda Myers Cook. She was a good friend of mine in High School. She truly had a vivacious and happy personality that influenced those around her. I am glad to hear that she continued to develop these qualities though out her life. I offer my fondest condolences to her family.

Dear Brent, Renae, Shelley and Family, I am so truly sorry for your loss of Ronda♥ She is a wonderful person and I did Love her Friendship in Several different times of our lives over the years. Brent, I have known your sweetheart most of my life. Also Renae and Shelley, their parents and Ronda and Renae's grandparents, Shelley's parents. I lived right across the ditch from Shelley from the time we were all little girls. Shelley and I played alot together growing up and when Ronda and Renae visited we all played together quite often. When I was in sixth grade we moved. Although I still saw Shelley occasionally but I didn't see Ronda and Renae much until we all ended up at Ben Lomond High School together. Ronda and I were in the same grade. We shared quite a few classes together. She was still the fun loving spirited girl she had always been and it was great to have another friend I had known since childhood. Even after we graduated, years later we chated occasionally on FB recalling the good times we had as kids. She reminded me of my birthday parties she came to and the silly things that went on. She spoke to me about my health issues and only a little about hers but I knew she had suffered a very long time and was tired. She had made her Peace. I admired her so much for that. I told her she was in my heart and Prayers always. On a few occasions I had put her name in the Temple during the last months towards the end. She was appreciative. What I didn't say to her was that I didn't ask Heavenly to keep her here if He wasn't going to heal her. Only to end her pain and suffering "If it Be Thy Will." I Know Heavenly Father hears and answers our Prayers. I Know He Answered mine in her Behalf. I Know Ronda is Happy and finally at Peace. And what a joyous reunion she is having with her son, parents, grandparents, Uncle, other relatives and numerous friends we went to school with and that she met over the years. I Pray you will all find comfort in knowing that Families Can Be Together Forever. In the meantime She will be busy assisting the Lord in His Work and watching over All of you. I apologize for being so long winded.

My sweet wonderful friend Ronda. When I moved here 11 years ago I saw Ronda at church but never met her ,until one day I was coming out of the grocery store and she was coming in and I said , “ I haven’t met you but I’m Floriene Moore “. And she said “I’m Ronda Cook and I’m a good cook”. Well she proved that she was right. When my Max was sick she brought us wonderful meals that she had cooked ,The best barbecued ribs corn on the cob potatoes with cheese on them and the best homemade rolls they were to die for. We became great friends and I love visiting with her always so friendly. Very spiritual lady, I am so thankful I got to know her and she was a great friend beautiful inside and out.

I was so sorry to read of Ronda's passing! She and I were good friends in high school shared many good memories. I enjoyed visiting with her and her dad over the years when she would come up to help her dad around the house and in the yard. She would come into Harmons with her dad.. I also knew her Aunt Shelley Hart from visiting in the store. We're going to miss her smiling face at the class reunion this year! My thoughts and prayers are with you Brent, Shelley and your family ! ■■■♥■■■♥■■■♥■ Peggy L Johnson

Brent, Spencer, and Jenny - To say Ronda was a special lady is an understatement. During the time we knew her and your beautiful family in Casa Grande, we recognized that she was capable of moving mountains. Her kindness, generosity, and positive spirit beamed into our world and made us better for having known her. Brent, you have our whole-hearted condolences and love at a very difficult time. We have appreciated your friendship through the years and always will. May God bless and comfort you on the path ahead. — Rick & Jolene Gilbert

Dear Spencer, What a wonderful reminiscence about the influence of an angelic mother. We were struck with her heritage of beauty in the picture you described of her dressed as a Jane Austen character (so to speak) that has been passed on to your children. Sandy noted on first looking at that picture how much it reminded her of Relle. Sandy and I believe in men who can cry and express strong emotions of love, and you exemplified that well in a most interesting review of your mother's life. We were glad in our changed state to be able to be there with you, even if we were not able to travel, and perhaps in my parlous immune state just now, that was a great blessing for both of us. Following the turning off of the sound, I was able to continue to watch your family gather to a couple (Heather's father and wife?), and I was touched to see Taggart's strong emotions and love for such a sweet grandmother—dead too soon, but well remembered by all your children. I can see why they will miss her so. Please express our love to your dad. I would like to get to know him better. Perhaps he will come down here more often and we can become friends. Much love from Sandy and me and the Comforter

Dear Brent, I am so sorry for your loss. I was reading the paper and remembered Ronda from Ben Lomond. She was a year ahead of me but I think everyone remembers her for her kindness, she was one of those people that was good from the inside out, always a smile and friendly. Well, I imagine you will get more condolences from Taylor Avenue. Lana is in Arizona and I will pass the info to her. Blessings, Georgia
