

Rosemarie Haywood Watts

October 10, 1927 ~ December 21, 2022

We loved Rosemarie and Dave. They were such a fun and loving couple and each had such spunk and humor. I loved to visit Rosemarie. She always made me laugh with her quick wit. She was as sharp as ever even up to the end. We will miss her as we have missed Dave. So glad they are together again and with so many children that passed on before them. We pray for their sweet family remaining here that you all will be comforted knowing they are having a joyous reunion!

Rosemarie was a special person and a loving friend. She was my visiting and ministering teacher for over 20 years and I love her. She loved all of her family very much and appreciates David and Michelle and Sandy in her life along with grandchildren etc. May we all be happy that after so long a life she can be with her David and other children again. I will greatly miss her smile and amazing insights to life. I Love her for ever.
