I'm so sorry for your loss and I hope your Mom and Carol don't cause too much trouble in heaven!

I'm sending condolences from this part of the family. We are sorry for your loss. Rosie was such a beautiful spirit. She truly did love and care for everyone, especially family. Her heart was so pure and full of love and warmth. I hope you cherish the amazing memories forever. May God's blessings, love and strength be poured upon you as you pass through this difficult time. Love, from the (Rodney) Allen part of the family.
