I have so many sweet memories of Rosie--growing up, orchestra at East High School, and in a shared family as adults. She could always make me laugh. Whenever I see a bunny rabbit, I will think of her. Sending love to all who mourn her passing. /Catherine Wheelwright Ockey, Helena MT

We were so sorry to hear of Rosie's passing. Her presence on earth will be greatly missed. I can still hear her sweet voice and special way she would sigh. She was intelligent, talented, a wonderful musician and teacher, and so fun. I cherished her frankness and honesty. I pray for Heavenly Father to watch over all of her family and give them strength now and going forward.

Max and Sam, how I loved your mother, she and I were great friends, I admired her talents, her wit, and all that she stood for, her love for her children, her testimony of the gospel and eternal families. May your hearts and minds be always filled with memories of her life and feel her enduring love. My deepest sympathy. Sister Solano

Our heartfelt condolences to all of Rosemary's family. We are grateful to have known Rosemary these past 25 years. She was a good and faithful friend to our family. We loved her for her compassionate heart and her tremendous sense of humor. She told us several times that she knew she was okay because her Heavenly Father loved her for who she was. Her faith never wavered. She was lovable and generous and kind. We will miss her.

My sweet friend, my heart is broken! I looked forward to our Friday visits. I would schedule you last on Friday, so we could have unlimited time talk about our weekend plans over a frosty or an afternoon treat. You were definitely too kind for this world. Now you’re free to order as much stuff as you want off the internet & have all of the pet bunnies, you longed for. You are one of those patients that I will always cherish & remember. ■■■■ Love you my, sweet Rosemary. Chantell Driver

I knew Rosemary at Uinta Elementary School and East High School. She was one of the sweetest people I have ever known. Shy and quiet but with a smile that let you know you were appreciated by her.
