I am deeply saddened by the news of Rosemary ‘s passing. May my condolences bring you comfort, and may my prayers ease the pain of this loss.

Rosemary will be missed at Mount Olympus! I enjoyed her sweet, sparky personality very much. She was always ready for a tease and a smile. I loved to wash her stuffed animal babies because she was overjoyed when I brought them back the following day. She was dear to trust me with them. I also enjoyed buying her gloves and cozy socks. May she rest peacefully and her family (especially Kathy) feel comforted that she is free of pain. Love to you’
