

Roy Carl Goff

April 3, 1949 ~ October 23, 2024

We are sad about Roys passing. Our minds are full of memories from Disneyland and the corn dogs to Jason and Gabes story of helping Roy get a "deer" down from the mountain. Jason and I running into him at Virg's one night and him telling us how much he missed us We then remembered how fun it was to go to the Griffith's party's and stay late into the night, listening to Roy's stories, laughing at his eating habits and Heather just dying and yelling "oh my God dad!" as we all would laugh. He was such a fun guy! He was a gentle giant as said above. Roy, thanks for being a part of our lives for so many years.

My thoughts and prayers are with you all. He was so much fun.

I thought of Roy today and was sad to see he had passed away as I searched to connect with him to see how he was doing. I worked with him at the Granite School District. Roy had a keen sense of humour and we had many a good laugh. I had lost track of him as I left the School District about 40 years ago. It sounds like he lived a good life and that is all you can ask.
