Your mom was such a kind, sweet person. I really enjoyed working with her at State Social Services and the association of our families in the Sandy neighborhood. Our kids had some fun times together.

I just want to tell all you Sudweeks kids how sorry I am. Your mom was a precious person and she was pretty funny too! She had that Mackelprang sense of humor! Love you guys. ■

So sorry for your loss Tony prayers are with you. Love you.
