Somehow I missed Rulene's funeral, I apologize and am so sorry. I really wanted be there to pay tribute and see everyone. Somehow I had it in my mind that it would be early this week. Please forgive me.

We are so sorry for lost. Mother enjoyed many hours of playing cards, talking on the phone, going to Torrey, and working together. God bless. Live Julie and Jacob Sandoval

Dear Family of Rulene, Recently we celebrated the 75th birthday of Westmore Elementary in Orem and found that your mother actually named the school when it opened. We found her original letter and idea submission as well as an article published in the Orem Geneva Times and an accompanying letter written by Rulene's mother. in our archives We would love to get copies of those to you if you would like them. If you are interested, please feel free to either call the school or write me at 1150 South Main Street, Orem, UT 84058.
