Rest In Peace our good friend. Enjoyed the time we had, although short. You will be missed

We will miss you Rupe. Our condolences to Diane and family.

- Jeff and Susan Ford - Kim Ebell

I was in the 173rd. I didn't know Rupert. Nevertheless, he was my brother. I wish I had known him.

- Tom Means

So sorry to hear this. Prayers for all of the family. Sue and I were shocked to hear about Rupert, you all are in our thoughts.....

- Ron Knapp

I was so sad to hear of Rupert's passing. I'm sorry I did not know until way to late. He used to come to our dental office. It was always such a pleasure to be able to visit with him. To say he will be missed is not enough! It will be Heaven's gain and our loss. Please know that my heart aches for your family and my thoughts and prayers are with you at this difficult time.
