Fred had a great deal of influence on Barbara and her decisions about Challenger - he obviously had a large affect on many of us with whom he worked. We will miss his energy and eternal optimism. Thank you, Fred, for keeping us all looking up!

Our family loves the Healeys! We are so saddened to hear of Fred's passing. Heaven will be better when he arrives but the world will miss his light, laughter and presence. We as a family were blessed by his example and his goodness. We cherish the memories we have had with you and your father and husband. May you each be strengthened and encircled by angels as you do a very difficult thing. We will be praying for each of you and thanking our Heavenly Father for His goodness in letting us get to know and love Fred Healey. Blessings every moment, Steve and Elaine Dalton and family

We are so grateful to have had the example of Fred (and Jill) in our lives!! They were amazing people that have tireless energy and abilities! Fred could always sense what kind of encouragement we needed with our family or our church callings and he was always so generous with his praise. Our boys absolutely loved having him as a coach. We will miss him but I know Heaven will be a better place because he is there. I know he is already hard at work to make Heaven better!

Jill. You are definitely a dynamic and admired couple. I also know of your regular early AM temple attendance. Bless you at this time Laura
