Ruth was one of my very best friends from second grade on...We just understood each other and she had the most wonderful sense of humor. I will always remember Ruth's joyous laugh and smile. We grew up together and continued our deep friendship throughout life's milestones...our marriages, the births of our daughters and the addition of grandchildren. I miss Ruth so very much, but am blessed that she was my friend. My deepest condolences to her husband, Chris, and her daughters and grandchildren. Ruth was a shining treasure in our lives.

How do you say good-bye to a person who in life, who has shown all of us, what exceptional person she is, beautiful inside and out, where I always would love to make her laugh, enjoy good times with, have such found memories of a life time friendship. Ruth will definitely have an impact on my heart for the rest of my life? RIP Ruth, I realize you were suffering from the quality of life you used to have, bless you Chris and your daughters and the

medical personnel for looking after Ruth to try to make her comfortable from experiencing this nasty disease. Those of us that got to have her as our dear close friend, are fortunate of having her a part of us to keep found memories in our hearts and to look back on. She was an angel on earth, so loving and caring, having such beauty. Love you all, we are so sorry for your loss and our loss in having Ruth pass away.

Everyone who knew Ruth understood that she was one of kindest souls on Earth. She had such grace and poise, as well as a wonderful sense of humor. We knew each other since grade school and I am proud to say that I was in her friendship circle for all of her remaining years. Our group trip to Hawaii was soooo fabulous!! She is gone too soon, but absolutely never forgotten. Hugs to Chris, her daughters and grandchildren. You all helped to make her journey home more peaceful. Love always.
