

Ruth Anna Goris

May 19, 1936 ~ October 13, 2023

So sorry to hear of Aunt Ruth Anna's passing . We are sending prayers for the family. One of my child memories is Ruth Anna walking into Grands kitchen carrying ChiChi and the little black and white scottie following behind.

I have many fond memories of my summers in Utah as a child. I enjoyed my family time with everyone. Aunt Ruthanna always made extra time to have me at her house or take me to do fun things like movies, amusement parks, shopping and out to eat. Nothing beat sleep overs with her, Hidi and Petie. Love you always. Sincerely sorry for the loss. Lori Cook
