

Ruth Elaine McPherson

February 18, 1940 ~ September 23, 2025

Ruth was one of my dearest friends. I learned to love her children as she did mine. She had a profound impact on my life. With her and Jim's affirmatives, which were so many, she never lost her testimony. I care and love her children like my own. She will always be with me as her wisdom is part of me now. Love you, see you soon happy friend. ♥■

I still walk by her apt down here at Fox point and want to stop and chat with Ruth. She is a sweet person.

Ruth was a sweet lady. Talked of many great experiences with her children and husband.
