Ruth Parry was one of the kindest ladies I have ever known. I will miss her so much. She was so devoted to her family and by doing so has been a great example of the way I should strive to be. Over the years I got to know her children and their children. What a joy it has been to know them all. I am so sorry for your loss but I know she will be waiting in that next life to be with all of you again. I am sure she will be carefully watching over all of her family. Love David, Bea and Laura Santos

My love and thoughts to the Parry family. My Son, Troy, was best friends with Russ and the kids spent a lot of time at our home. I was a single Mom at the time with two wonderful teenage boys. The Parry's invited Troy and I to their home and told us if we ever needed anything, they would be there. They were, and are a wonderful family and I know Ruth and Russ are together with our Heavenly Father.
