I am sorry for Kevin's loss. You must have been the best mother anyone could ever have dreamed of. Rest in peace and may we see you in the eternities.

Goodby my dear friend,Ruth.I've loved our friendship for these past 56 years! Condolences to your beautiful family! Diane and my daughter Laura were born in May of 1968 soon after I moved into the Crystal Heights ward,where we first met your parents Your mom is so amazing! We loved your mom and dad so much! I'm so happy I got to talk to Ruth on the 17th of Nov. I had no idea she was on hospice.May the Lord bless and comfort your family at this time.and always!

We are so grateful to have known Darrel and Ruth. They were simply exemplary people. They were alway so kind and willing to help in anyway. We admire them and your extended family and send our prayers. Eternal marriage and eternal families bring tremendous peace as our loved one's pass. They are both, undoubtedly, excited to be together again. We send our love.

I send my most sincere condolences and love to your family. Being sick right now I was only able to watch the funeral service on line. You all did a wonderful job paying tribute to your Mom and Grandmother! Ruth is a special and great Lady who is now with her Eternal companion. May the Lord bless your entire family!
