

Ruth Noall Dickson

May 25, 1930 ~ February 5, 2021

Dear Angela (and Family), I didn't know your mom, but I know her through how lovely you are. You speak of her with the greatest admiration and awe of her intelligence, grace, and effect on you and your community. I am sure she will be missed immensely by all who knew and loved her. Thinking of you... Bhavna

My husband and I first met your parents in Montreal. We stayed with them twice at their home in Salt Lake. Sister Dickson was a shining light on her misson She always opened her home to us when we were in Salt Lake and gave us a guided tour of Temple Square. She did everything to make our stay special. You had a great mother and one you must be so proud of as she shared her many talents with others. My deepest sympathies.

Dear friends, Ruth was my “second mom” and did much to raise me and helped keep us all alive! She was an amazing woman, incredibly giving. Condolences and to all of you dear friends.

i was sent to live with Ruth & Flint in 1967 thru the church program of unwed mothers. She was a special person in my life & i kept in contact with her. I am so glad she isn't in a nursing home anymore. She was the best hostess/ homemaker. Rest in Peace

Our condolences to Ruth's family and friends. She was proud of her pioneer ancestors. She was a member of Daughters of Utah Pioneers, joining in 2010.
