Diane We are very sorry to hear about your loss. In all of our years of being with and around you and Ryan we know and saw your true friendship. Love and caring for each other and your family. Ryan always gleamed when he talked about your travels and experiences and challenges in life. Just remember always that if God allows him he will be watching over you and the girls and the grandkids as he did when he was here. Take care of yourself.

Sister Duckworth, I just loved seeing the two of you look at each other. It always seemed like you had just fallen head over heels for each other each time I saw you look at each other. It was so sweet. A beautiful kind of love I hope everyone gets to enjoy. Sending lots of love.

I wrote this text November 18th: “Hey, my friend--I just found out you're in the hospital! No, no, no! I'm so sorry! You're my favorite Pickleball partner so get well soon and get back to the courts. You are missed! “ He was a kind and generous friend and Pickleball partner. I’m so sorry for your loss.

Hello dear Duckworths and loved ones. I just wanted to share how much I loved Brother and Sister Duckworth when I went to a YSA Ward in SLC from 2014-2016. I remember Brother Duckworth always had a relaxed and kind attitude and often had carefully chosen jokes that he’d deliver at the funniest moment. I also remember how fun it was to learn about your adventurous hobbies and history of traveling as a couple. I felt that both of you were sincerely interested in saying hi and asking how I was doing, which meant a lot to me since I was away from home and in my first real job post-college. You helped me feel like I had a home. I’m sending hugs and prayers your way from Berkeley, CA.

Diane and family, I want to thank you for the time that Ryan spent while he was on the Supervisory Committee at Cyprus Credit Union. Being away doing volunteer work isn't easy for anyone. I know he was there the whole time that I was the internal auditor. It was nice to have his knowledge, understanding, and help while working there. I have bumped into him occasionally through the years since I left. He was always quick to greet me and ask how things were going. He would tell me about his trips with the "chicken stores." Heaven truly gained a new angel. I pray your many fond memories of him and the knowledge of Our Father's plan of happiness will carry you through this tough time. Ryan will be missed by me and many others. With Deepest Sympathy, Jennifer Pratt

My heart is so sad to hear this news. Want to let Diane know I’m thinking of her! Her and Ryan were always so inclusive and kind when I was in the Grant YSA ward with them. They always made me feel so special. I feel so lucky to know their family and sad I haven’t talked to them in a few years. Sending so much love at this time! Allie (Vincent) Schults

Patty and I were shocked at the news of Ryan's passing. Ryan and I were best friends for many years when we were growing up in Magna. My brother Joe and I shared many life adventures with Ryan and his brother Cory. I remember those days fondly. Like many, our lives took different paths as we grew older. Years later our paths crossed again when Ryan got involved with the Credit Union where I worked. We rekindled our friendship. It slipped away again after I retired and moved from the Salt Lake Area. Our thoughts and prayers are with you Diane, and you family. Dale and Patty Catten

Diane My heart hurt when I heard this sad news. I'm so sorry you and your family are having to go through this. Ryan was always a good friend and listener to everyone. I remember when you moved to California and he came to work at the Los Altos office.... my sister Patti (down's syndrome) thought he was just the most handsome guy on the planet. When I told her he was married she said "SO!". she remembered Ryan when I told her. I know the grief; just know you and your family are in our thoughts and prayers. Love, Hugs and Prayers Karen

Very shocked to read this today. Your dad was a good man. It was our greatest pleasure to know him and your mom. Both are wonderful and so kind. Heaven just gained a winner. It is so sad however. Love the Duckworth family dearly.

Dear Diane, Carl and I were just thinking about you and Ryan and some good old friends from Anaheim ward. Then I looked up Ryan on my Facebook and saw that he had passed away. We were very surprised and sorry to hear about Ryan. I wish we could have got together earlier. We have a daughter who lives in Sandy. She also lived in Millcreek and her kids go to school in Holliday. All those places are near you. I would love to get together and talk about old times and catch up on the last 30 years. If you read this and want to get together next time we're there visiting our daughter let me know. We live in San Juan Capistrano and you can visit us anytime! I remember visiting you in No Cal and you came to visit us in Laguna Hills at Thanksgiving to go to Disneyland. Your friend, Sue Baldini
