

Salote Feletoa Tua’one

September 29, 1977 ~ June 3, 2021

Sister Tua'one served with us for 6 months in Panama and was a very faithful and dedicated missionary. She was loved by the members and the other missionaries and was an influence for good throughout her mission. We were sorry to hear about her passing and we will always remember her and her positive and gentle example. We express our sympathy to her family.

Dear Tua’one family, We are so sorry for your loss. Our hearts and prayers are with you right now. Although, I didn’t know Salote, she sounds like she was an exemplary daughter, sister, aunt and women altogether. I’m sure the reunion in heaven was amazing and I know you will see Salote again. In Salote’s honor, we’ve made a donation to the Cancer Research Institute. Prayers and love from all of us in the Westfield Ward Relief Society presidency, Melanie, Cindy, Janet, Alma and Vera
